When Titans Clash: A New Global Trade War?

Format: 1 x 48
Broadcaster: CNA

Amid ongoing tensions with the US, China is now on the brink of a new trade war with the EU. The

West accuses China of overcapacity: dumping low-priced electric cars, solar panels and batteries on the market. China claims its green tech industries help fight climate change and its accusers are protectionist. Who is right? And what could a new trade war mean for the global economy?

AI and Work: Who Runs the Office?

Format: 1 x 52 (4K)

With the Artificial Intelligence revolution now well underway, the question we all want answered is: will AI steal my job? Featuring experts from Stanford, Oxford, Google and IBM, this pioneering doc takes a deep dive into the impact of AI on work. How can we ensure it augments rather than replaces us? And how can employees be part of this widespread transformation?

Walk the Line: From China to the US

Format: 3 x 48 (& 1 x 48 "Making Of")
Broadcaster: CNA

Every year, hundreds of thousands of migrants cross the Americas to find refuge in the USA. Chinese migrants are now the fastest-growing group on this dangerous trail, at over 25,000 a year. We follow several Chinese groups braving narcos, people smugglers and the notorious Darien Gap crossing, revealing why they risk it all to 'walk the line'.

Mandate For Murder: Britain's Struggle in Palestine

Format: 1 x 56 (4K)

Mandatory Palestine, 1947. In the shadow of the Holocaust, a young man's murder sparks a government cover-up, and an international scandal, hastening the establishment of the State of Israel to just one year later. Using eye-witness testimony this documentary reveals the British Government's efforts to suppress a terror campaign led by Jewish insurgents.

Bay of Blood: The Bangladesh Genocide

Format: 2 x 50 / 1 x 90 (4K)

In 1971, up to 3 million citizens of East Pakistan were slaughtered by their own military in one of the world's worst genocides. For the first time, exclusive archival footage, eye-witness testimony and expert analysis unravel the truth of this atrocity and the ensuing war that led to the creation of a new nation: Bangladesh.

Beijing's Secret Blueprint

Format: 3 x 45 (4K)
Broadcaster: National Geographic

Over 750 years ago, the city of Beijing was constructed according to a hidden blueprint to ensure its success and longevity. With exclusive

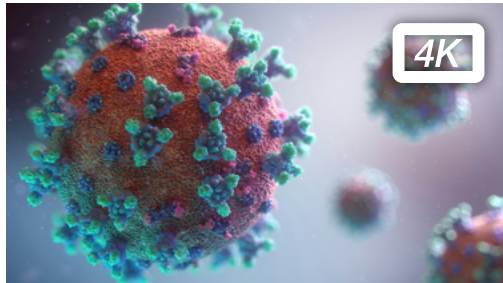

access to Beijing's most iconic sites, we explore the heart of the world's oldest continuous civilisation, uncover the secret ancient principles underpinning China's capital and discover how its original design and philosophy still influence the country today.

The Future with Hannah Fry

Format: 6 x 30
Broadcaster: Bloomberg

What does the future hold? Is it really possible to live in a world where cars fly, where computers can read our emotions and where we order coffee from a robot? Mathematician and scientist Professor Hannah Fry looks into the future, exploring everything from the weaponisation of data and rewilding the planet, to the secrets to a 150 year life.

The Good Virus

Format: 1 x 80 / 1 x 52 (4K)
Broadcaster: Telus

As scientists run out of defences to deadly drug-resistant superbugs, research is turning to bacteria's ancient enemy, bacteriophages, to fight disease. From clinical trials in the USA to phage hunts in Kenya, *The Good Virus* visits the frontlines of this radical therapy, to reveal how everything from medicine to agriculture is being revolutionised.

Africa's Greatest Peaks

Format: 4 x 52 (4K)
Broadcaster: SR, Arte

Endless sand and savannahs are the enduring image of Africa, but its mountains tell a different story. With stunning aerial footage, wildlife photography and access to conservationists, discover the diverse landscapes, plants and animals of Tanzania's Kilimanjaro, Uganda's Rwenzori, South Africa's Drakensberg and Madagascar's Andringitra Massif.

National Parks of Korea

Format: 3 x 48 (4K)
Broadcaster: KNN

From rocky mountains to deep oceans, discover the staggering landscapes, unique wildlife and millennia of culture in the Korean Peninsula's nature reserves. Follow life in the parks across four seasons, as bears, foxes, squirrels and birds co-exist with the parks' human visitors, who scale cliffs, dive for fish and meditate in remote monasteries.

The Secret Life of Bats

Format: 1 x 43
Broadcaster: Arte, ARD

Bats are among the stealthiest hunters in the animal kingdom. But for all their ingenious abilities, a species of grasshopper has learnt to outsmart them. Join a team of researchers armed with state-of-the-art ultrasonic cameras, as they reveal the science behind echolocation and the hidden hunting challenges faced by this deadly apex predator.

Planet of Machines

Format: 2 x 50 (4K)
Broadcaster: UXN

In the era of AI and climate change, our planet is hurtling towards a critical environmental tipping point. Across five continents, discover how the machines that once unlocked human potential now hold the world in their hands. From shipwrecks and artificial reefs, to lithium mines and underground farms, this is tech's ecological frontier.

Caravana: An Elephant's Journey to Freedom

Format: 1 x 60 (4K)

Of the 2,000 elephants in captivity globally, 40 are in zoos and circuses across Latin America. This is the story of Pelusa, an elephant at La Plata Zoo, Argentina. Follow activists and founders of the Brazil Elephant Sanctuary, Scott and Kate, on their mission to rescue Pelusa from captivity and save other elephants in the region.

Shepherdess

Format: 6 x 23
Broadcaster: Sky

Dive into the routines and rhythms of life on the land in this meditative series following female farmers in New Zealand. Meet the fisherwoman sourcing sustainable seafood, the cook raising her daughters on a cattle station and the shearer managing over 200,000 sheep. Each episode explores the farmers' connection to family, community, self and land.

Village of the Year

Format: 24 x 60
Broadcaster: Channel 4

What makes a perfect village? Nestled across Britain are thousands of picture-perfect villages, full of quaint cottages and quirky characters who uphold centuries-old traditions of rural British life. In this joyous competition series, Dame Penelope Keith visits the most quintessentially British villages to crown one Village of the Year.

BMX All Stars with Ashley Walters

Format: 10 x 23
Broadcaster: BBC

Narrated by *Top Boy* star Ashley Walters, this action-packed series goes behind the scenes of the UK's most successful BMX club: Peckham BMX. We join extraordinary young athletes and their inspirational coaches, riding the highs and lows of BMX training. Learn awesome tips and tricks from Olympic medallists, all in time for the BMX events at the Paris Olympics.

The Hospital: Life on the Line

Format: 4 x 45
Broadcaster: Channel 5

Step inside the UK's pioneering heart hospital, in this series which grants exclusive access to the work of world-class doctors, cardiologists and transplant teams in action. Follow dedicated staff as they mend hearts, physically and metaphorically, deal with cardiac arrests, open-heart surgery and life-saving transplants.

Life is Precious

Format: 7 x 27
Broadcaster: Globoplay

In this inspirational series, individuals with rare diseases show that they can achieve their dreams and live a happy life, just like anyone else. Featuring Laissa, who has Spinal Medullary Atrophy and is a Paralympic gold medalist, Beatriz, who has Pulmonary Arterial Hypertension, Davi who lives with a rare type of dwarfism and more.

Untold Arctic Wars, Series 2

Format: 6 x 52 (4K)
Broadcaster: YLE, SVT, NRK, DR, RÚV

During the Cold War, the Arctic became a spy's playground as great powers jostled to gain control of the territory. With animated maps, never-before-seen archive and stunning CGI, discover for the first time how the Nordic nations were forced into a delicate game of brinkmanship between East and West, with every move risking nuclear catastrophe.

Wings of the Great War, Series 2

Format: 5 x 48
Broadcaster: COSMOTE

Wings of the Great War returns for a second series to explore more staggering stories from the Great War's Macedonian front. With unseen archive and expert interviews, discover how bombing missions, dog fights and underwater warfare were just some of the tactics employed by the German and Allied air forces.

Japan's Wild World

Format: 2 x 50 (4K)

Japan is famous for its futuristic cities and rich traditions, but it is also a nation bursting with extraordinary wildlife. Journey through the deep forests of the North,

Hokkaido's vast wildernesses and the pristine coastlines of the Southwest, to meet the rare and endemic species inhabiting wild Japan. Follow bears, monkeys, foxes, eagles and more through the seasons and witness never-before-seen behaviours, like the courting rituals of the Japanese Spider Crab and Japanese Crane.

Fluid: Life Beyond the Binary

Format: 1 x 48 (4K)
Broadcaster: CBC

Hosted by non-binary comedian Mae Martin, *Fluid* explores the science of gender and sexual fluidity in humans, animals and plants. Alongside famed

primatologist Frans de Waal and biologist Joan Roughgarden, Mae discovers hermaphroditic plants, sex-changing fish and lions, and chimps with surprising sex traits. Meanwhile, a team of neuroscientists reveal ground-breaking research debunking pseudo-scientific myths to show how, in a real sense, we are all gender fluid.

Bending Light: Proving Einstein's Theory of Relativity

Format: 1 x 54 / 1 x 84
Broadcaster: Super Channel, TVO, Knowledge, SVT

Discover how a 1922 expedition to Australia informs astrophysics to this day. Expert interviews, reconstructions and newly unearthed archive reveal how astronomers from Australia, Britain, Canada, India and the USA set out to photograph a solar eclipse, proving Einstein's theories for once and for all.

Planet Soil

Format: 1 x 52 (4K)
Broadcaster: ZDF/Arte

With more living creatures in a teaspoon of soil than there are people on Earth, this ground-breaking film reveals the secrets of the vital ecosystem beneath our feet. Discover everything from symbiotic fungi networks to the future of regenerative farming, with stunning macro-photography of other-worldly organisms and an international cast of experts.

AI & You

Format: 1 x 50
Broadcaster: RTÉ

Artificial intelligence is evolving at a staggering pace, but how much do we actually understand it? This informative documentary reveals how AI is rapidly transforming the human experience, exploring the positive developments in health, education and climate action, as well as the dangers including misinformation, deepfakes and identity fraud.

Remembering Me

Format: 3 x 48
Broadcaster: CNA

Grief and loss have forever been inevitable and universal aspects of human existence. Today, however, AI promises to radically alter how we say goodbye to loved ones. We follow four individuals, each confronting loss in their own way, as they explore how cutting-edge technology is transforming the ways in which we remember and are remembered.

The Longest Day, Series 2

Format: 3 x 48 (all series: 7 x 48)
Broadcaster: CNA

This award-winning series returns to reveal the challenges faced by people living on the frontlines of the climate crisis. Across seasons and nations,

we follow multi-generation families in India, the Philippines and more, as they confront the effects of extreme heat, volatile weather and rising sea levels. Children grapple with the dangers climate change poses to their safety, whilst older generations witness the loss of a world they once knew.

The Good Virus

Format: 1 x 52 / 1 x 80 (4K)
Broadcaster: Telus

As scientists run out of defences against deadly drug-resistant superbugs, research is turning to bacteria's ancient enemy, bacteriophages, to fight disease. From clinical trials in the USA to phage hunts in Kenya, *The Good Virus* visits the frontlines of this radical therapy to reveal how everything from medicine to agriculture is being revolutionised.

The Last Seed

Format: 1 x 59 / 1 x 79 (4K)

Discover Africa's fight for seed sovereignty and its ramifications for global agriculture and nutrition. From farm to laboratory, this science-driven film uncovers the stunning landscapes of Africa and the hidden history of industrial farming. *The Last Seed* reveals how small-scale farmers are defending their ancestral heritage against unsustainable practices and global economic and legal threats.

1979: The Year of the Islamist Revolution

Format: 2 x 50
Broadcaster: Iran International TV

From the Iranian Revolution to the Soviet occupation of Afghanistan, this award-winning series chronicles the critical events of 1979 in the Middle East, which marked the beginning of a global jihadi uprising. With access to rare archive and eye-witness testimony, this revealing documentary is essential viewing for understanding today's Middle East.

Bay of Blood: The Bangladesh Genocide

Format: 2 x 48 / 1 x 94 (4K)

The first full-length documentary on the tragic events of 1971, when citizens of East Pakistan were victims of a genocide carried out by their own military. Millions were killed, displaced and raped in the violence. Never-before-seen archival footage, eye-witness accounts and expert interviews unravel the truth about this atrocity and the ensuing war that led to the creation of a new nation – Bangladesh.

Planet of Machines

Format: 2 x 50 (4K)
Broadcaster: UXN

In the era of AI and climate change, we are hurtling towards a planetary tipping point. Travel to Mexico, Bolivia, the UK, France, Korea, China, Egypt and Micronesia to discover how machines once unlocked human potential, but now hold our destiny in their hands. From shipwrecks and artificial reefs to lithium mines, this is tech's ecological frontier.

One Billion Joules: Storm Chasers

Format: 1 x 48
Broadcaster: CNA

In Singapore, the lightning capital of the world, daring storm chasers hunt down lightning strikes during the year's most dangerous storms. We ride shotgun with these daredevils, learning what makes lightning so powerful and fascinating. Featuring storm experts and CGI, we explore the latest advances in lightning understanding and control.

Weird Britain

Format: 12 x 45
Broadcaster: A+E Networks

Join host, Andy McGrath, as he travels the length of this enigmatic island, exploring the strange legends, unsolved mysteries, quirky traditions and bizarre histories that make up Britain. Search for the Loch Ness Monster, visit crop circles and encounter tales of mermaids, vampires, witches and werewolves, on this quest to discover Weird Britain.

Digging For Britain, Series 11

Format: 6 x 60 (all series: 47 x 60)
Broadcaster: BBC

Professor Alice Roberts returns in a fascinating new series of the BBC's flagship archaeology show. Joined by a team of experts, Alice examines groundbreaking new findings including a Roman Emperor's forgotten bathhouse, Henry VIII's lost palace of Elsyng, giant neolithic axe heads and a 3000-year-old shoe, the oldest ever found in the UK.

Wings of the Great War: The Aegean Front

Format: 5 x 48
Broadcaster: COSMOTE

World War I - a clash of nations in which aviation, for the first time, became a vital weapon and the

skies became a battleground. Over the rugged landscapes of the Aegean, pioneering pilots from Britain, Germany, Canada, Oceania, Greece, Bulgaria and Turkey risked everything to embark on a journey of heroism and sacrifice in order to secure victory. Featuring unseen archive and expert testimony.

The Yonge Street Uprising

Format: 1 x 44
Broadcaster: CityTV

On May 4, 1992, a demonstration in response to the treatment of Toronto's black community by police spiralled out of control. 30 years later, activists, journalists and politicians revisit the events surrounding that day and the years leading up to the uprising to offer insight into the ongoing issue of anti-black racism in Canada.

Katiba Banat: Sudanese Sisters in Arms

Format: 5 x 23 / 1 x 52
Broadcaster: OMNI

The Second Sudanese Civil War is one of Africa's longest and bloodiest conflicts, and its impacts are still reverberating to this day. In this first documentary about the war's all-female battalion, award-winning producer and director Adhel Arop reveals the role a group of exceptional women played in the birth of their nation.

Ancient Settlements of Europe

Format: 2 x 52
Broadcaster: france-tv

This award-winning mini-series uncovers the lost peoples who settled northern Europe before Christianity. With access to archaeological digs and CGI reconstructions, episode one reveals a lost Roman city in a Gallic forest, while episode two features Celtic settlements on the northern French coast.

Neanderthal: In the Footsteps of our Ancestors

Format: 1 x 52 (4K)
Broadcaster: france-tv

On a Normandy beach, archaeologists are racing against time to preserve the world's largest collection of prehistoric footprints. Each discovery unearths new details about the lives of the long extinct and widely mischaracterised Neanderthal, all brought to life through stunning animation and CGI.

Lost World of Angkor Wat

Format: 2 x 50
Broadcaster: Channel 4, Discovery Science, SBS, France 5

Discover the rise and fall of the medieval Khmer empire in this groundbreaking series exploring

the hidden city of Angkor Wat, the largest religious structure in the world. Follow a team of scientists and archaeologists who use cutting-edge CGI technology to locate lost temples, ancient water systems and even an undiscovered jungle pyramid.

Marlon Brando: In Paradise

Format: 1 x 52
Broadcaster: ZDF/Arte

For the centenary of Brando's birth, discover the star's unknown side as a conservation pioneer. While shooting

Mutiny on the Bounty in Tahiti, Brando resolved to make the endangered atoll of Tetiaroa his home. Featuring iconic clips from *The Godfather* and *A Streetcar Named Desire*, access to Brando's conservation centers on Tetiaroa and exclusive family interviews, discover the visionary actor's legacy as an environmentalist.

Peer to Peer, Series 8 & 9

Format: 40 x 24 (all series: 159 x 24 & 5 x 48)
Broadcaster: Bloomberg TV

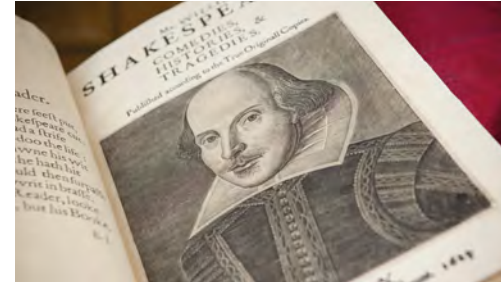

In the latest series of *Peer to Peer*, renowned financier and philanthropist David Rubenstein travels the United States to talk to his peers – leaders of the world's biggest companies – about their paths to success. Featuring Kim Kardashian, Bill and Hillary Clinton, Jane Goodall and Sheikh Hamad of Qatar, David discovers what makes a great leader.

Driving Force

Format: 17 x 50
Broadcaster: ITV

Meet some of the most successful female athletes of all time and the driving forces that inspire them. Discussions unveil the personal, physical and mental barriers each woman has overcome to reach the top. Featuring exclusive interviews with Olympic athletes Dame Kelly Holmes, Dina Asher-Smith, international footballer Eniola Aluko and more.

Will's Book: Shakespeare's First Folio

Format: 1 x 60
Broadcaster: Sky Arts

400 years ago, two actors compiled Shakespeare's works into the First Folio, rescuing plays like *Macbeth* and *Twelfth Night* from falling into obscurity. Led by scholar, Emma Smith, and featuring performances at the Globe by Mark Rylance and Stephen Fry, this is the greatest rescue in cultural history.

China on Stage

Format: 6 x 24 / 4 x 52 (4K)
Broadcaster: bilibili, BBC

China's performing arts scene is changing rapidly and American curator, Jeff Crosby, and Dutch musical theatre star, Li-Tong Hsu, are on a mission to discover how. They encounter everything from a virtual hologram singer to a young Peking Opera superstar; from musicians fusing the East and West, to China's exciting dance and theatre scenes.

Peer to Peer, Series 8 & 9

Supernova: The Music Festival Massacre

Format: 1 x 32 / 1 x 52
Broadcaster: ZDF/Arte, SVT, DR, RAI, RTVE

A harrowing account of the massacre carried out at

the Supernova music festival on October 7th 2023. Festival attendees and first responders reveal their shocking stories of survival and the struggle of returning to everyday life. Featuring footage from Hamas' cameras and survivors' mobiles, this moving film gives unprecedented insight into the tragedy.

MH370: A Decade On

Format: 1 x 48
Broadcaster: CNA

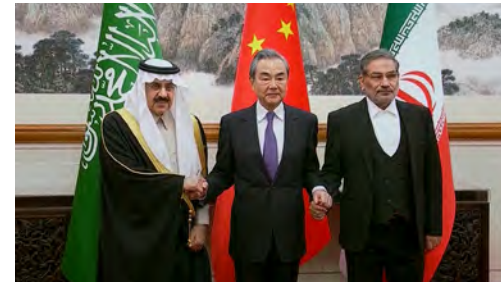

In 2014, Malaysia Airlines Flight 370, carrying 239 people from 14 countries, disappeared shortly after takeoff. Ten years on, we follow the victims' families who are still fighting for compensation and explore the latest investigations into the mysterious causes of the disaster. With exclusive access to the victims' families, scientists and aviation experts.

Australia's Open

Format: 2 x 45 / 1 x 90
Broadcaster: ABC, ESPN

The Australian Open is at the heart of global tennis. Revisit the most electrifying moments of this tournament, including the Williams sisters' final clash, Pat Cash's devastating home loss and the Nadal-Federer rivalry. Discover how the tournament stages vital debates over same sex marriage, the treatment of refugees and Australia's complex colonial past.

China & The Global South: China's Role in the Middle East

Format: 1 x 48
Broadcaster: CNA

China's expanding influence in the Middle East, including key partnerships with Iran, Egypt, Saudi Arabia and Israel, is facing challenges amid the Gaza conflict. Can China play a role in mediating peace between Israel and Hamas? And how will these events affect the US-China power struggle in the region?

When Titans Clash, Series 3: Derisking Decoded

Format: 2 x 48 (all series: 9 x 48)
Broadcaster: CNA

The West is currently striving to de-risk its economies from exposure to China, meaning China's economy is losing billions in foreign investment. This award-winning series returns, with exclusive access, to investigate the shifting tides between the USA, India and China and this new economic world order.

Fact vs Fiction

Format: 2 x 48
Broadcaster: CNA

Disinformation is eroding trust and tearing societies apart across the world. In India, we investigate how low digital literacy, cultural biases and social media platforms are fueling a fake news epidemic, challenging democracy. In the Philippines, we explore how climate change denialism is spreading through fake news, often backed by fossil fuel companies.

Panda Power: Rise of the Furry Diplomats

Format: 2 x 48
Broadcaster: CNA

Animals have long been given as diplomatic gifts, but none more successfully than China's cuddly ambassadors: giant pandas. We uncover the origins of panda diplomacy, exploring how they soften tensions and foster cultural exchange, and how other countries are welcoming and breeding them.

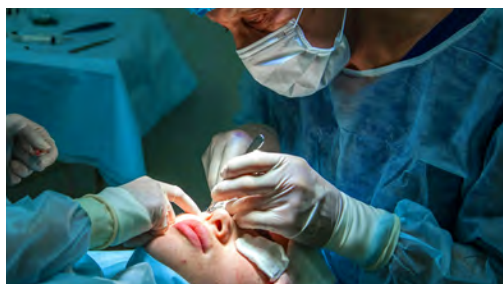

VeraCity: Special Investigations

Format: 14 x 44 (new episodes)
Broadcaster: CityTV

These in-depth, investigative documentaries report from the frontlines of issues impacting the lives of everyday people. Whether uncovering first-hand

testimonies of those fleeing religious sects, meeting mothers raising their children from behind bars, exposing human trafficking in Canada's crime capital or telling the unbelievable stories of kids running crypto heists, *VeraCity* exposes the hard truths lurking beneath the surface of the story.

Make Me Look Pretty: Illegal Home Surgery

Format: 1 x 44
Broadcaster: CityTV

Instagram obsessives looking for a cheap beauty fix are increasingly turning to illegal home 'surgery' where practitioners inject clients with botox, fillers and fat-dissolving acids on their kitchen tables. This shocking exposé reveals how botched injections caused disfigurement and death.

Answering the Call: Crisis Response

Format: 1 x 44
Broadcaster: CityTV

At the cutting edge of emergency response is the Toronto Community Crisis Service, which could permanently alter how policing and emergency mental health support are provided. This film goes inside local crisis centres, and explains how a history of institutional racial discrimination necessitated a radical new approach.

Breaking Brethren: Escaping a Fundamentalist Sect

Format: 1 x 44
Broadcaster: CityTV

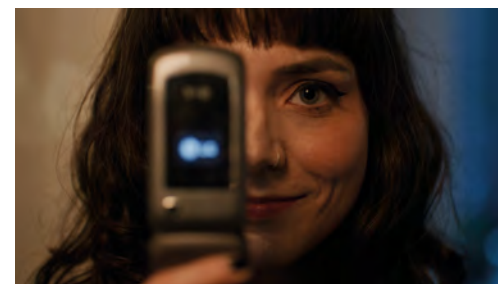

Five former members of the Plymouth Brethren Christian church come forward to reveal how the sect's extreme fundamentalist practices divided families and left countless lives shattered. Discover the inside story of this secretive religious sect, through the stories of those who managed to escape.

Unrepentant: Abuse in the Church

Format: 1 x 44
Broadcaster: CityTV

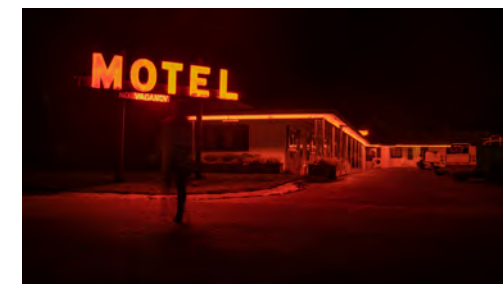

Journalist Adrian Ghobrial interviews two survivors of child sex abuse at the hands of Catholic priests. Now in their adulthood, Brenda and Peter are seeking justice for victims like them. Uncovering the church's methods of silencing victims, from large pay-outs to shuffling predatory priests, we are reminded that this issue is far from resolved.

You've Been Posted: Revenge Porn

Format: 1 x 44
Broadcaster: CityTV

Witness the far-reaching consequences for two young women who have had intimate photos stolen from their accounts and posted online by total strangers. Unable to identify the culprits, Madison and Maiken live in the shadow of these photographs that remain available online. Their stories highlight the devastating impacts of hacking.

Fighting Traffick

Format: 1 x 44
Broadcaster: CityTV

Follow two activists, Caroline Pugh Roberts and Megan Walker, as they work to protect victims in one of North America's sex trafficking capitals. With unprecedented access and exclusive on-the-ground footage, watch as they stake out hotels, track license plates and confront hotel staff to try to free these women from their captors.

Undercover Asia, Series 10

Format: 10 x 48 (all series: 63 x 48)
Broadcaster: CNA

This award-winning series uncovers the hard truths behind Asia's most topical issues, with exclusive access to victims, criminals and campaigners. We

investigate everything from informal gold mining leading to mercury poison in children to the illegal black market trade of exotic butterflies; from ultra football fan clubs and police corruption in the footballing world to investigating the poisonous chemicals included in cough syrup.

Lombok's Poisoned Gold

Format: 1 x 48
Broadcaster: CNA

In Indonesia, Asia's largest gold producer, informal gold mining is providing a vital income source, but also creating a hidden public health crisis. The country's multi-million dollar mercury trade - the toxic element used in gold extraction - is causing rising birth defects and environmental damage. Can Indonesia protect its citizens from these dangers?

Inside the Toxic Butterfly Trade

Format: 1 x 48
Broadcaster: CNA

Indonesia's unique biodiversity has fuelled a growing global industry of rare butterfly hunters, with many operating in the black market. We follow the illicit butterfly trails from Japan to Indonesia to investigate how these often endangered creatures secretly change hands among dealers and collectors.

Tainted Medicine Scandal

Format: 1 x 48
Broadcaster: CNA

Last year, more than 300 children across Gambia, Uzbekistan and Indonesia died from taking cough syrup. The deaths sent shockwaves around the world, with investigations finding the deadly chemicals Diethylene and Ethylene Glycol in their medicine. The manufacturers denied any wrongdoing, but the findings opened a Pandora's box of dirty truths.

Debt Bomb

Format: 2 x 48
Broadcaster: CNA

According to the IMF, global debt is at its highest level in decades, with over 70 countries struggling with a high debt burden after the pandemic. We explore the human cost and possible solutions of both Sri Lanka's recent debt default and Pakistan's debt burden, and investigate whether these crises could cause further global financial instability.

Inside Indonesia's Football Ultras

Format: 1 x 48
Broadcaster: CNA

The deadly Kanjuruhan Stadium crush of 2022 left 135 football fans dead and made global headlines. Delve into Indonesia's ultra football fan clubs, exploring extreme fandom and meeting the families mourning the disaster victims. With police misconduct and corruption rife in Indonesian football, can this tragedy result in meaningful reform?

China: Preparing for Dangerous Storms

Format: 3 x 48
Broadcaster: CNA

President Xi has asked China to "prepare for dangerous storms", but how is that affecting the superpower and its competitors? This series investigates China's drive for military power, self-sufficiency and patriotism. From the two-million strong People's Liberation Army's capabilities, to the country's quest for technological independence and cyberspace sovereignty.

Power Scramble

Format: 3 x 48
Broadcaster: CNA

From mobile phones and electric cars to wind turbines and weaponry, 'rare earths' are essential for producing the technologies that shape our lives today. Travel across Asia and Oceania to explore each step of the supply chain, uncover the truth behind these resources and discover how the intensifying scramble for them will impact our everyday lives.

Forgotten Palate: A Future in Ancient Grains

Format: 2 x 48
Broadcaster: CNA

As the planet warms, innovative farmers and scientists are exploring traditional farming methods to secure our future. Ancient grains like sorghum and millet are more resilient and environmentally friendly than modern staples. Will farmers make the switch and will consumers be able to accept it?

Heavyweight: Japan's Female Sumo Wrestlers

Format: 1 x 48
Broadcaster: CNA

For over 1,400 years, Sumo has stood as a symbol of masculinity in Japan. Now, a new generation of female wrestlers are challenging tradition. By demanding access to the sport's top tier, they are shining a light on Japanese patriarchy and the enormous gender gap in one of Asia's most developed nations.

Kung Fu

Format: 3 x 45 (4K)
Broadcaster: National Geographic

Popular movie star, Jacky Heung, embarks on a landmark journey to uncover the true essence of kung fu. Travelling across China, he dives deep into its most popular forms – from Tai Chi to Wing Chun to Shaolin Kung Fu – learning from living masters about kung fu's remarkable two-thousand-year history, its vibrant present and exciting future.

Time to Work

Format: 1 x 56 (4K)
Broadcaster: Curiosity Stream, Spicce

The definition of work is changing before our eyes. From companies trialling the four-day work week to entrepreneurs breaking apart the concept of 'work-life balance', this documentary unveils the changing rhythms of 21st century working culture. Featuring case studies from Sweden to Japan via the Netherlands, Italy, France and England.

Prison Moms

Format: 1 x 44
Broadcaster: CityTV

Over 70% of incarcerated women are mothers. With exclusive insight into prisons across Canada, investigative journalist Cristina Howorun is going inside to find out - how do you raise a child from behind bars? What is it like to grow up with a criminal mother? And why do so few women choose to keep their children with them?

Possibilities

Format: 1 x 48
Broadcaster: CNA

Women's sport has come a long way in Asia, but female athletes still face many obstacles. This special shines a light on remarkable female sporting role models from Singapore, Japan and the Philippines, who are breaking down barriers and inspiring the next generation of aspiring athletes, as well as boosting visibility for women's sport.

Waka Ama

Format: 2 x 30
Broadcaster: TVNZ

Twelve Paralympic athletes are training for the world Waka Ama sprint championships, a traditional Pacific water sport like canoeing. Led by one of New Zealand's top Waka Ama coaches, the team seize the opportunity to go for gold and enhance the visibility of para-athletes on the global stage. Will they paddle their way to glory?

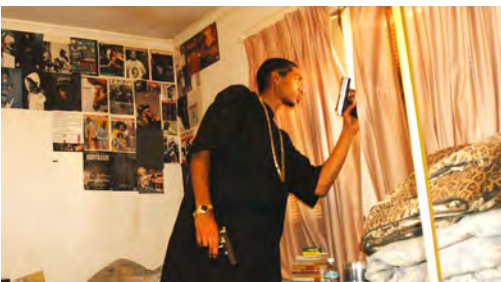

The Trials of Kyle Rittenhouse

Format: 2 x 45 / 1 x 85

In 2020, 17 year old teenager Kyle Rittenhouse fatally shot two people with a semi-automatic rifle at a Black Lives Matter protest in Wisconsin. His

trial became one of the most watched in history with millions tuning in to watch. His not guilty verdict rocked the nation. Four years on, this documentary uncovers new information on the case and features exclusive interviews with Rittenhouse, his mother and the defence and prosecution teams.

Behind the Crime

Format: 4 x 60
Broadcaster: Tubi

The next true crime cult series, *Behind the Crime*, goes behind the scenes of some of the USA's most high-profile murder cases. Each episode takes viewers from crime to investigation, trial to verdict, using real case footage and eye-witness testimony. Featuring the murder of rapper Nipsey Hussle, a double shooting involving NFL player Travis Rudolph and more.

Cyber Scammed

Format: 3 x 48
Broadcaster: CNA

Scammers are going hi-tech. Across three countries, we investigate how their latest methods are evolving fast. In India, scammers are using AI to generate deepfakes. In Malaysia, hackers steal digital data of unwitting victims from companies and in China, trojan horses trick victims into downloading all kinds of malware onto their devices.

My Fake Billionaire Boyfriend

Format: 1 x 44
Broadcaster: CityTV

In 2021, Jennifer met Nik and fell madly in love. Her charismatic lover was the son of a Russian billionaire, and promised Jennifer a life of luxury. There was just one problem: Nik was really Steve Coelho, a career criminal and fraudster. Rent, bills and luxurious purchases were soon being run up in Jennifer's name, while she was none the wiser.

The Bitcoin Kid: Inside a Crypto-Heist

Format: 1 x 44
Broadcaster: CityTV

How did a 17-year-old kid from Hamilton, Ontario mastermind a \$46 million heist from a Bitcoin billionaire? This is the story of the largest individual cryptocurrency theft of all time. Follow a thrilling three-month manhunt that reveals the vulnerabilities in crypto security and serves as a cautionary tale for digital investors.

The Negotiators International

Format: 4 x 48 (all series: 8 x 48)
Broadcaster: CNA

Hostage negotiation is one of the world's toughest and most dangerous jobs, requiring incredible skills and bravery in the face of often-lethal danger. With

exclusive access, we reveal how top-level negotiators, from renowned young female negotiator, Ummu Kalthum, to ex-FBI Chief Negotiator, Gary Noesner, deal with everything from Boko Haram terrorists and American cops gone rogue, to a Manila mall hostage crisis and a ruthless Mexican drug cartel.

Satanic Panic: The Peter Ellis Story

Format: 8 x 25 (4 x 60 available on request)
Broadcaster: Newsroom NZ

In 1991, Christchurch was gripped by hysteria over a horrific crime that never actually occurred. Following frenzied accusations of satanic ritual, infanticide and cannibalism, one man was wrongly imprisoned. Decades later, a brave reporter rescues lost tapes from the garbage containing never-before-seen-footage, sparking a quest to prove his innocence.

The Disappearance of Layton Keddy

Format: 1 x 44
Broadcaster: CityTV

In February 2021, Canadian Layton Keddy rode his bike into a remote patch of Australian forest and promptly disappeared. Cryptic social media posts quickly raised alarm with his friends and family, and the resulting missing person search created a media firestorm across both Canada and Australia.

Weird Ocean Creatures

Format: 10 x 48 (4K)

The ocean is home to incredible, distinctive and rare creatures coming in all colours, shapes and sizes. Welcome to *Weird Ocean Creatures*, the series that

dives deep into the ocean, showcasing its weird and wonderful animals. Hiding underwater or lurking in the dark, see how the ocean's underwater species have evolved complex defence mechanisms and unique modes of communication. Despite their strange appearances, these creatures are vital for persevering the balance of our ocean ecosystems.

Inside Crime Scene

Format: 5 x 48
Broadcaster: Mediacorp

Singapore today is considered one of the world's safest states, but it has had its share of gruesome crimes. This award-winning docudrama investigates everything from serial killers and child murders to gory crimes of passion, with police and criminal experts revealing how modern CSI techniques can shed new light on these intriguing cases.

Brothers in Arms

Format: 2 x 48
Broadcaster: CNA

Singapore in the 1960s and 70s was a gangland town, known as 'The Chicago of the East' due to its lawlessness. This gripping docudrama reveals the violent battles, armed robberies, daring escapes and deadly shootouts between Singapore's police force and the island's most-wanted criminals: the ruthless Wahab-Hassan brothers.

The Secret Life of Bats

Format: 1 x 43
Broadcaster: Arte, ARD

Bats are among the stealthiest hunters in the Animal Kingdom. But for all their ingenious abilities, a species of grasshopper has learnt to outsmart them. Join a team of researchers, armed with state-of-the-art ultrasonic cameras, as they reveal the science behind sonar, and the hidden hunting challenges faced by this deadly predator.

Return from Extinction

Format: 3 x 49 (4K)
Broadcaster: EBS

Around the world, ecosystems are on the brink of collapse, with human activity driving species to the edge of extinction. But all is not lost. Across Mongolia, Tibet and the borderlands of China, North Korea and Russia, discover how Siberian tigers, Amur leopards, rhinos, wild boar, deer, kiangs and the rare Bactrian camel are roaring back to life.

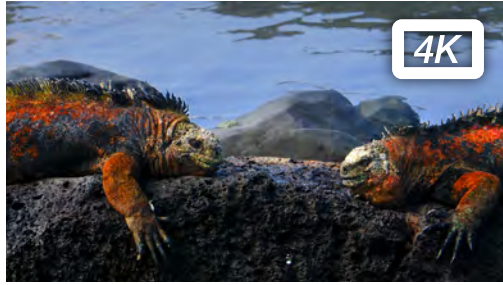

4K

Shamwari Untamed, Series 2

Format: 10 x 29 (4K) (all series: 23 x 29)

Follow the world-renowned Shamwari Game Reserve conservationists as they battle unbelievable odds to protect one of Africa's most important wildlife areas. Join the dedicated team as they work around the clock to capture and relocate vultures, zebras, elephants, rhinos and lions, while deploying state-of-the-art helicopters and artificial intelligence technology to combat illegal poaching.

4K

Galapagos: Edge of the World

Format: 3 x 47 (4K)
Broadcaster: EBS

The Galapagos is home to a staggering array of creatures found nowhere else in the world. The unique ecosystems of these islands famously inspired Darwin's Theory of Evolution. Now, get to know the island's distinctive wildlife and understand the shifting and fascinating relationship between man and nature in this near-Eden.

World's Biggest Bird Park: The Great Migration

Format: 2 x 48
Broadcaster: CNA

How do you transport 3,500 exotic birds from one park to another? Follow the mammoth mission to move the residents of Singapore's world-famous Jurong Bird Park to a new home. Meet the passionate keepers looking after baby penguins and flamingos and the engineers building their new home.

Secrets of the Aquarium

Format: 6 x 60
Broadcaster: BBC

Step inside the UK's largest aquarium, home to over 4,000 marine animals from angelfish to tiger sharks. This incredible facility is run by a team of over 100 keepers where every day presents a new challenge. Featuring big characters and quirky creatures, this underwater adventure celebrates the drama and unpredictability of life in the aquarium.

4K

Eco-Heroines, Series 3

Format: 5 x 52 (4K) (all series: 13 x 52)
Broadcaster: Ushuaia TV

Discover the incredible work done by leading female conservationists from around the world, who are protecting species on the brink of extinction. With

two brand new episodes revealing daring efforts to protect dolphins from fishing and industry in the English Channel and to rehabilitate the reputation of India's towering greater Adjutant stork. Series three also meets condors, lemurs and turtles, across Argentina, Madagascar and Gabon.

4K

Bear: Koala Hero

Format: 1 x 48 (4K)
Broadcaster: Foxtel

Australian bushfires can burn through an area the size of England and Wales within days, destroying homes, habitats and hope. This one-off follows the incredible story of koala-detection dog 'Bear' and his team, as they rescue and rehabilitate injured koalas from burnt-out bushland. In the face of devastation, hope is rising from the ashes.

The Last Defenders of the Wild

Format: 6 x 48
Broadcaster: CNA

Meet the brave people risking their lives to protect vulnerable wild habitats from destruction. We join them on the frontlines battling poachers and others to safeguard Indonesia's Leuser Ecosystem, Vietnam's pangolins, Malaysia's green sea turtles, the Philippines' Masungi Reserve, Thailand's national park and India's Chamoli region.

Four Go Flating

Format: 5 x 60
Broadcaster: TVNZ

In this entertaining new format, four young men with intellectual disabilities move out of home to live with flatmates for the first time. Across a unique six-week

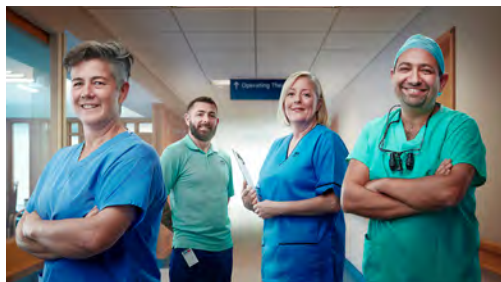

'flating' experience, these young men step out of their comfort zone to discover the highs and lows of living independently. From unlimited ice cream and birthday parties to household chores and girlfriends, every day brings a new challenge. With no parents and no rules, what could possibly go wrong?

Down for Love, Series 2

Format: 5 x 46 (all series: 10 x 46)
Broadcaster: TVNZ

Love is in the air as the hit Netflix series returns for a second season. A brand new cast of young people living with Down Syndrome and other disabilities head out on a frank, funny and heartfelt quest to find love. Plus, one year on from the first series, wedding bells are on the horizon for some familiar faces. Will it be a match made in heaven?

Heart Hospital

Format: 4 x 45
Broadcaster: Channel 5

Filmed with extraordinary access to a cutting-edge cardiovascular unit in Scotland, this series follows doctors performing life-saving heart surgery. Featuring inspirational characters, behind the scenes access to pioneering operations and heartfelt stories of recovery, *Heart Hospital* showcases the very best of science and modern medicine.

NZ Gold Diggers

Format: 10 x 25
Broadcaster: Sky NZ

In the heart of New Zealand, fearless gold hunters embark on a high-stakes quest for fortune. Battling treacherous terrains and fierce competition, teams employ cutting-edge technology and age-old techniques to strike it rich. With unexpected twists and adrenaline-fueled challenges, *NZ Gold Diggers* is a thrilling test of skill and grit in the pursuit of wealth.

Ocean Warriors: Mission Ready

Format: 13 x 23 (4K)
Broadcaster: APTN

The vicious waves of the icy Pacific are unrelenting. Once a boat finds itself in trouble, a wasted minute can mean the difference between life and death. *Ocean Warriors* takes viewers deep into the First Nations communities of Canada's west coast, where the brave men and women of the Coast Guard Auxiliary put their lives on the line to help those in need.

This Way Up: World's Most Dangerous Highways

Format: 3 x 48
Broadcaster: CNA

What does it take to drive a long-haul truck on the world's most dangerous highways? We join three remarkable truck drivers across China and India as they take on difficult routes to deliver essential supplies, risking their lives while battling fatigue and extreme weather conditions.

Rescue 999

Format: 6 x 46
Broadcaster: Channel 5

This gripping series goes behind the scenes of Britain's most dramatic rescue missions, seen through the eyes of brave emergency workers and told by the powerful testimony of those in peril. With unique access to dramatic on-the-ground body-cam footage, travel across mountains, land, sea and air to rescue all those who dial 999.

Inside Air Cargo

Format: 2 x 48
Broadcaster: CNA

Singapore's Changi Airport handles over a million tonnes of cargo every year, making it one of the

world's busiest international airports and air cargo hubs. With exclusive, behind the scenes access, we reveal how everything from fresh flowers to racehorses are quickly transported across the world by skilled teams and innovative technology.

Super Tunnel: The Special

Format: 1 x 60 (all series: 10 x 60)
Broadcaster: BBC

In this one-off special from the acclaimed BBC series *Super Tunnel*, go behind the scenes of the construction of London's new underground railway: The Elizabeth Line. Costing over \$25 billion and taking ten years to build, it is the biggest engineering project in Europe. This is the definitive story of how this engineering feat was achieved.

The Big Clean Up

Format: 6 x 23
Broadcaster: CNA

Follow Big Red, Singapore's biggest disaster restoration company, as they rehabilitate buildings nearly destroyed by fire, protect paramedics on the front lines and halt outbreaks of infection. Gain exclusive access to one of the most crucial, yet often overlooked jobs and witness how a thorough cleanup can transform a space and change lives.

Women of the Wetlands

Format: 2 x 48
Broadcaster: CNA

Suffering frequent tropical cyclones, the vast Sundarbans wetlands which straddle India and Bangladesh are on the frontlines of climate change. The vacuum left by climate disasters has created a breeding ground for opportunistic criminals who target women. How have these women's lives been affected, and how can they fight back?

Never Out of Reach, Series 2

Format: 4 x 48 (all series: 8 x 48)
Broadcaster: CNA

In the world's most remote schools, we follow the lives of students and inspiring teachers across India, Taiwan, Nepal and the Philippines. We see how these extraordinary schools offer unique activities, from organic farming to mountain climbing, sea sports and even ancient martial arts, providing both education and important life skills.

Reaching The Unreached

Format: 3 x 48
Broadcaster: CNA

The world's most isolated populations often suffer from a lack of access to vital medical treatments. This series follows heroic doctors navigating the challenges of treating patients in remote areas of Asia: a polio vaccination team in northwest Pakistan, a doctor helping nomads in northern Mongolia and a floating hospital in the Indian Himalayas.

No Ordinary Rescue

Format: 3 x 48
Broadcaster: CNA

This series tells the stories of brave civilians who risk their lives to come to the aid of others. We join these volunteer rescue teams on the front lines of life-threatening disasters and emergencies, from devastating floods in China and massive fires in Metropolitan Manila, to Vietnam's vigilante 'Street Knights' chasing armed criminals on motorbikes.

The Pill Revolution

Format: 1 x 45
Broadcaster: Channel 4

Why is there such limited research into the contraceptive pill and why are women offered so little choice? Davina McCall tackles the troubling truth behind the pill, busting myths, taboos and fake news. We also explore alternative contraception including hormonal coils, implants and patches, and ask what more can be done to improve women's healthcare.

Deciding to Die: MAiD in Canada

Format: 1 x 44
Broadcaster: CityTV

Follow two women with chronic pain conditions on their emotional journeys towards accessing their right to die through Canada's controversial Medical Assistance in Dying programme. Go beyond the legislation to understand the human toll, and meet the families of those facing such a difficult choice.

Life is Precious

Format: 7 x 27
Broadcaster: Globoplay

In this inspirational series, individuals with rare diseases show that they can achieve their dreams and live a happy life, just like anyone else. From Laïssa, who has Spinal Medullary Atrophy and is a Paralympic gold medalist, and Beatriz, who has Pulmonary Arterial Hypertension, to Davi who lives with a rare type of dwarfism.

My Perfect Family

Format: 13 x 28 (all series: 50 x 28)
Broadcaster: TVNZ

This heart-warming series follows parents rising to the challenge of raising children with mental and physical disabilities. In these brand-new episodes, meet families embracing creativity and positivity when it comes to caring for children with autism, cystic fibrosis, Down Syndrome, rare neurological conditions and more.

Born Too Soon

Format: 4 x 45
Broadcaster: Virgin MediaOne

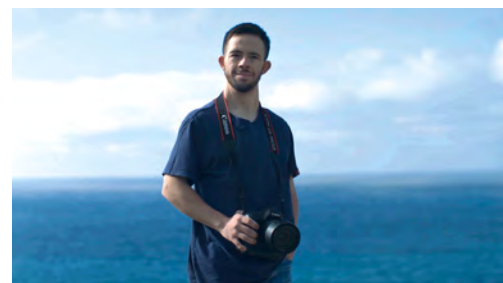

This emotive and inspiring all-access series follows the stories of families and medical teams looking after premature babies. Go behind the scenes of the neo-natal unit at Cork University Maternity Hospital and meet the nurses, doctors and pioneering surgeons performing incredible life-saving treatment on babies as young as 25 weeks old.

Thoroughly Modern Families: Polyamory & Me

Format: 1 x 44
Broadcaster: CityTV

Meet people around the world breaking traditional family stereotypes. Non-traditional families still struggle against social prejudice and barriers to legal recognition. From polyamorous trios to platonic co-parents, this film documents the struggles and celebrations of defying the familial norm.

Being Me

Format: 20 x 23 (all series: 68 x 23)
Broadcaster: TVNZ

This uplifting series features character-driven stories of confidence and positivity in the face of adversity. Meet people with a variety of disabilities and take a walk in their shoes: from Gigi the catwalk queen with Down Syndrome to Sam, a Hollywood actor with skeletal dysplasia who stars in films such as *The Greatest Showman*.

Bulletproof

Format: 15 x 29 (all series: 32 x 29)
Broadcaster: TVNZ

Meet the inspiring people rebuilding their lives after tragic accidents. From a quadriplegic adrenaline junkie getting his paragliding licence, to a double-amputee organising ski camps, nothing can stop these survivors living their dreams. From the scene of each accident right through to their recovery, *Bulletproof* celebrates the power of perseverance.

This Is Me

Format: 5 x 25
Broadcaster: TV9

Enlisting the expertise of doctors, psychiatrists and members of the LGBTQIA community, this groundbreaking documentary series explores some of the most important issues of our time through a scientific, cultural and historical lens. Covering everything from the difference between sex and gender, to the spectrum of sexual orientation and gender identity.

Indigiqueer

Format: 1 x 44
Broadcaster: CityTV

Sarain Fox examines the past, present and future of queerness for indigenous members of today's LGBTQIA community. Diving into the history of Canada's queer indigenous population, this special looks at the nature of Two-Spirit identities with the help of elders and knowledge-keepers, community leaders and even *Drag Race*'s Illona Verley.

Wild Coastal Canada, Series 1 & 2

Format: 26 x 25
Broadcaster: Eastlink

Discover Canada's unique coastal ecosystems, including forests and wetlands, which are home to fascinating rare species. This series explores pristine nature reserves, uncovers fascinating flora and fauna and meets the biologists on conservation's frontlines. Plus, come face-to-face with bears, moose and rare birds.

Visionary Gardeners, Series 2

Format: 5 x 22 (4K) (all series: 10 x 22)
Broadcaster: VisionTV

The second series of *Visionary Gardeners* showcases the creative minds bringing their personal, artistic and innovative technical visions to gardening. Explore everything from a coastal bogland of carnivorous plants to a Japanese-inspired meditative garden, and even sculpture parks, plentiful orchards and verdant escapes in the middle of Toronto.

Wild Coastal Canada, Series 1 & 2

Growing Wild

Format: 7 x 47
Broadcaster: CNA

How can urban gardening help us reconnect with nature and improve our physical and mental health? Urban farmer Chris Leow is on a mission to cultivate healthy growing habits, trying his hand at growing edibles in Singapore and building his own beehive in Australia, as well as learning indigenous farming methods in Thailand.

Remarkable Living, Series 6

Format: 5 x 23 (all series: 55 x 23)
Broadcaster: CNA

The award-winning *Remarkable Living* is back with inspiring stories of craftsmanship, gastronomy and architecture. These lifestyle visionaries redefine what it means to live with purpose and authenticity, as viewers visit Louis Vuitton's atelier in France, hidden getaways, spectacular houses and artists' workshops in this stunning new series.

Martin Compston's Norwegian Fling

Format: 6 x 30
Broadcaster: BBC

Embark on an epic Scandinavian adventure in this action-packed travelogue. *Line of Duty* star Martin Compston and his pal Phil travel the length of Norway from Oslo to the ancient Viking Valley through snowy peaks and stunning fjords. Along the way, the pair get close up with arctic animals, taste local herring and try their luck at roller skiing.

The World's Most Remote Hotels

Format: 10 x 26 (4K)

In far-flung corners of the globe lie some of the world's most unique and enchanting hotels. In this exclusive series, go behind the scenes of luxurious spaces where guests can sleep under the stars and embrace peace and nature. From a treehouse in Lapland to a Japanese onsen hotel and a desert ranch in Patagonia, this series is a one-way ticket to paradise.

Trail Towns, Series 3

Format: 7 x 25 (all series: 19 x 25)
Broadcaster: SBS

This family-friendly travel show is dedicated to cycling and the great outdoors, inspiring families and friends alike to explore the world via bicycle. Travelling from quaint towns to bustling cities, finding historic and cultural insights alongside tantalising food and drinks, this show will inspire you to get off the sofa and into the saddle!

Little Big World, Series 7

Format: 20 x 2-5 (4K) (all series: 132 x 2-5 & 8 x 25)

Using timelapse technology, this bite-size series captures the world as you have never seen it before. The latest series visits some of the world's most awe-inspiring landscapes and staggering architectural achievements. Flying from LAX to Venice via Rotterdam, and from Gran Canaria and the Ore Mountains to Ukraine, watch how such a big world can be condensed and showcased on-screen.

Off the Beaten Track

Format: 14 x 49 (4K)
Broadcaster: MBC

Grab your camera and get ready for a global backstreet tour! Each episode of this series links up with a local photographer who knows the best spots in town for great pictures, fascinating facts and unforgettable adventures. From Italy to Peru via Singapore, Mexico, Japan and Germany, it's time to discover what's hiding off the beaten track.

No Luggage, Series 5

Format: 52 x 29 (all series: 260 x 29)
Broadcaster: BTv

Europe's longest running travel series returns for a brand new globe-trotting adventure, perfect for family viewing. From the heart of Ecuador's Amazon to the clear oceans of Fiji, take in a global tour featuring Sri Lankan monasteries, Kenyan conservation zones, Greek getaways and Madagascar's unique island culture. This is a trip you don't want to miss!

Castles From Above

Format: 4 x 52 (4K)

Shot in 4K, we visit impressive landmarks such as the iconic Mont Saint-Michel in France, the floating Aragonese Castle in Italy, the Peleş Castle hidden away in the Carpathian Mountains of Romania and the medieval Riegersburg Castle, located on a dormant volcano in Austria.

Aerial Profiles, Series 4

Format: 12 x 26 / 6 x 52 (4K) (all series: 46 x 26 / 23 x 52)

Take to the skies and explore brand new destinations in the latest series of *Aerial Profiles*. Unique map technology, UHD footage and historical imagery bring these landscapes to life. Tour New York State's skyscrapers, journey from chateaux to coastlines in France, and visit ancient villages in Portugal. Plus, discover varied prairies in Nebraska as well as the mountains and beaches of Rio de Janeiro.

Southeast Asia On A Plate

Format: 3 x 48
Broadcaster: CNA

Explore Southeast Asia's culinary heritage with three chefs as they uncover the rich tapestry of flavours shaped by centuries of trade and migration. From bustling markets to rural communities, they unravel the complex history behind beloved dishes like rendang, once hailed as the world's most delicious food.

Eating Plants, Series 2

Format: 6 x 23 (all series: 12 x 23)
Broadcaster: SBS

Veganism is the fastest growing global food movement, with the plant-based food industry set to be worth over \$160 billion by 2030. Explore growing vegan trends around the world with local hosts and chefs who teach us about the ethical and health benefits of adopting a vegan lifestyle. Featuring new episodes in Mexico, New Zealand, Thailand, Sweden, Australia and Canada.

Paula McIntyre's Hamely Kitchen

Format: 16 x 30
Broadcaster: BBC

Celebrity chef and writer Paula McIntyre, residing on Northern Ireland's stunning North Coast, prepares mouth-watering recipes from the finest local and seasonal ingredients. Drawing from family recipes and her own Ulster-Scots heritage, Paula adds a contemporary twist to traditional Irish dishes which are sure to delight family and friends.

Sour, Salty & Alive

Format: 8 x 23
Broadcaster: CNA

Savoury, sour, pungent and 'alive' - welcome to the delicious world of fermentation. From Japan to South Korea and New Zealand, ingredients are collected from forests, fields and sea before being pickled, preserved and altered. Capturing the magic of fermentation, this fizzy food series celebrates the culinary wisdom, culture and history of Asia and the Pacific.

4K

China's Wild Secrets

Format: 5 x 46 (4K)
Broadcaster: bilibili

This blue-chip wildlife series spans five of China's most diverse nature reserves, revealing the secrets of an incredible variety of rare and remarkable

creatures. Traversing temperate forests and lush tropical regions to mountain frontiers, we reveal previously unseen animal behaviours: from a giant panda cub exploring the world through its teeth and a king cobra struggling to survive in the rainforest, to a Siberian tiger tracking deer in the wild.

4K

Untold Arctic Wars: The Cold War

Format: 6 x 52 (4K)
Broadcaster: YLE, SVT, NRK, DR, RÚV

During the Cold War, the Arctic became a spy's playground as the great powers jostled to gain control of the territory and its resources. For the first time, discover how the Nordic nations were forced into a delicate game of brinkmanship between East and West, with every move risking nuclear catastrophe.

4K

The National Parks of Korea

Format: 3 x 52 (4K)
Broadcaster: KNN

From rocky mountain tops to the deepest oceans, explore the staggering landscapes, unique wildlife and millennia of culture that make the Korean Peninsula's nature reserves so distinct. Across all four seasons, bears, foxes and birds co-exist with the parks' human residents as they scale vast cliffs, dive for fish and meditate in remote monasteries.
